

WATERFORD HOME OWNERS ASSOCIATION, INC.
APPEAL TO SERVE ON BOARD OF DIRECTORS
JANUARY 20, 2009

Notice of the meeting was e-mailed to the owners on the Association's e-mail directory and signs posted throughout the community.

The meeting was held at the BSO West Substation – Teen Center and began at 7:00 pm.

Board of Directors in attendance: Nicole Goldstein, Lu Vencl, Denise Bogner, Al Santana, and Barbara Conrey.

Broward Sherriff Deputy Jim Engle addressed the homeowners in attendance and stated there had been no crimes reported in our neighborhood in the past month. He answered questions and said that when something out of the ordinary is occurring that residents should contact BSO to investigate.

A recap of accomplishments and our mission statement was presented. Residents stated concerns about loud traffic noises on SW 15th Street. Details about the City's traffic calming procedures were discussed and we will see if BSO can put the speed announcement sign in the area. A discussion was held on the well field that will be built on SW 10th Street between SW 24th Avenue and SW 28th Avenue.
